

ETC MH 45 IH

ARTICULATED / TELESCOPIC
INSULATED MATERIAL HANDLING

INSULATED VERSATILITY

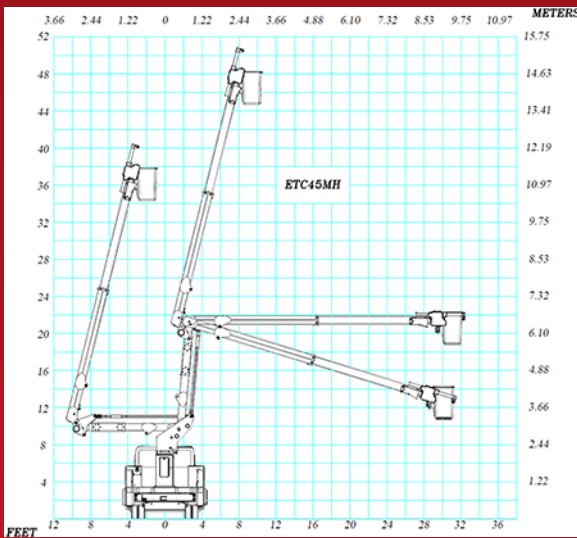

The ETC MH 45 IH is a versatile insulated unit that is well suited to those customers in need of an aerial unit that can offer powerful capabilities. With an articulating and telescoping aerial lift that reaches a height of 45' to the bottom of the bucket, this unit has standard continuous rotation allowing for unrestricted rotation. This model also offers material handling capabilities with a hydraulic winch and a 5' jib that can lift up to 1,000 lbs.
