DEPEND ON IT.

INSULATED VERSATILITY

The ETC 40 IH is a powerful insulated unit with a host of standard and optional features to satisfy the needs of our customers. With a working height of 45 feet, this unit offers continuous rotation, full pressure hydraulic controls and a 400 pound bucket capacity as standard features. It can be fully customized to a customer's individual need by adding a host of options including two speed throttle, bucket tilt / rescue, bucket cover and others. This model is built to satisfy customer demand for power, reach, and innovative design.
