030.01900JI	Lifting capacity diagram H

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

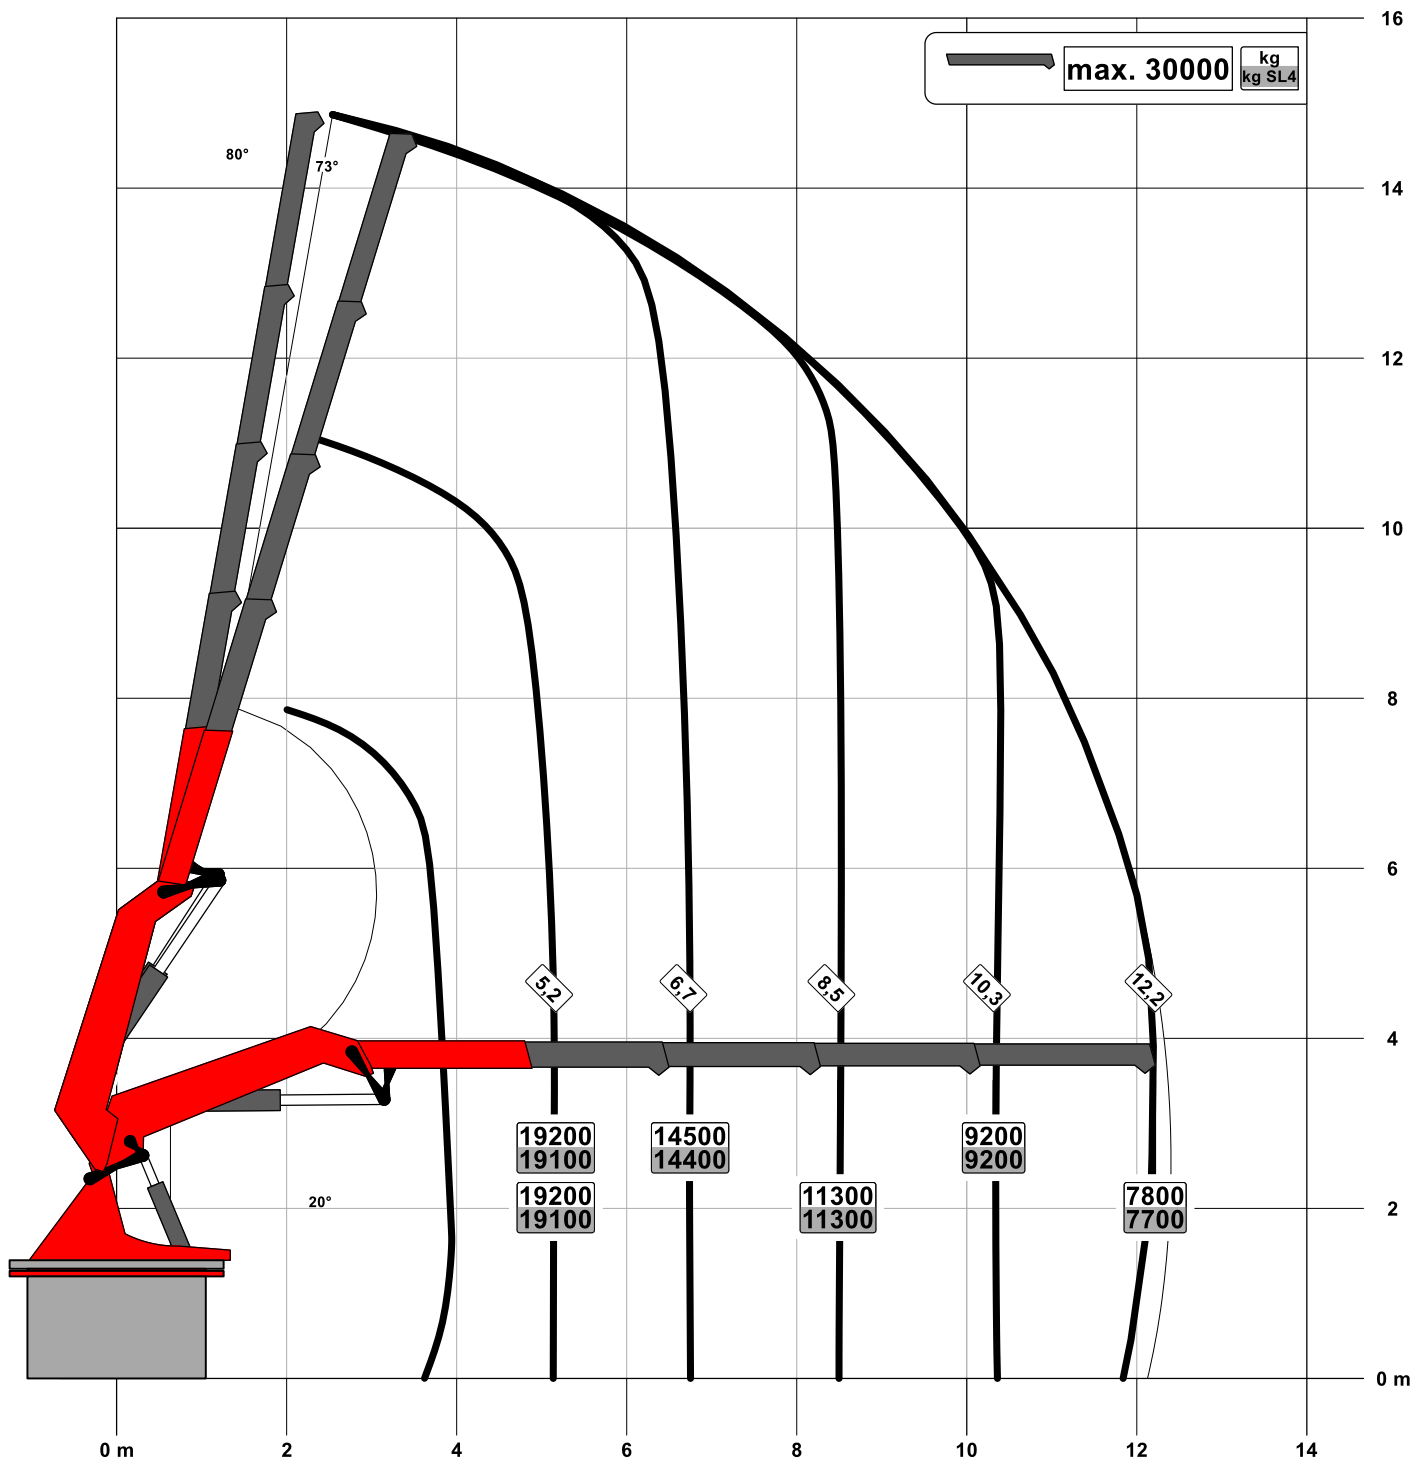

Lifting capacity diagram B

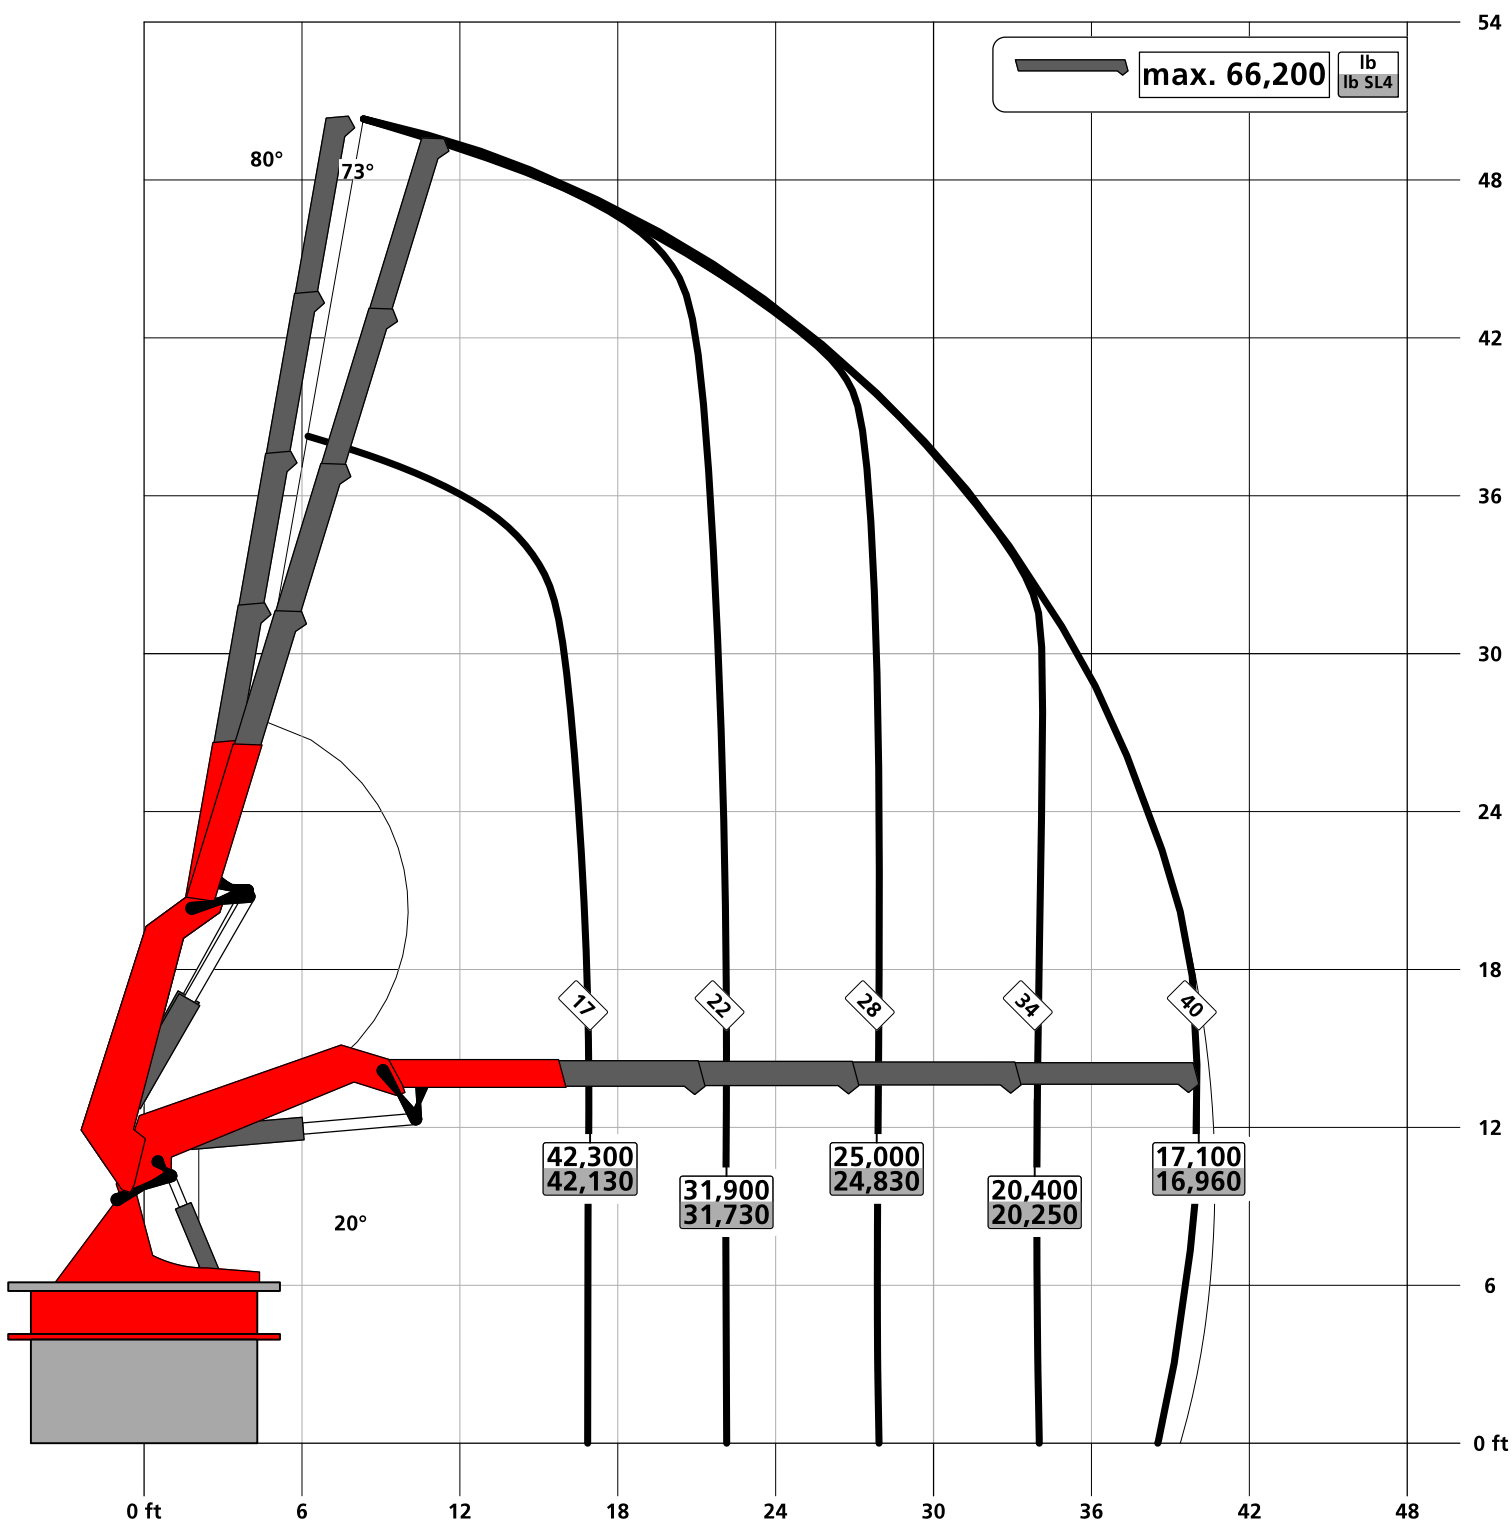

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

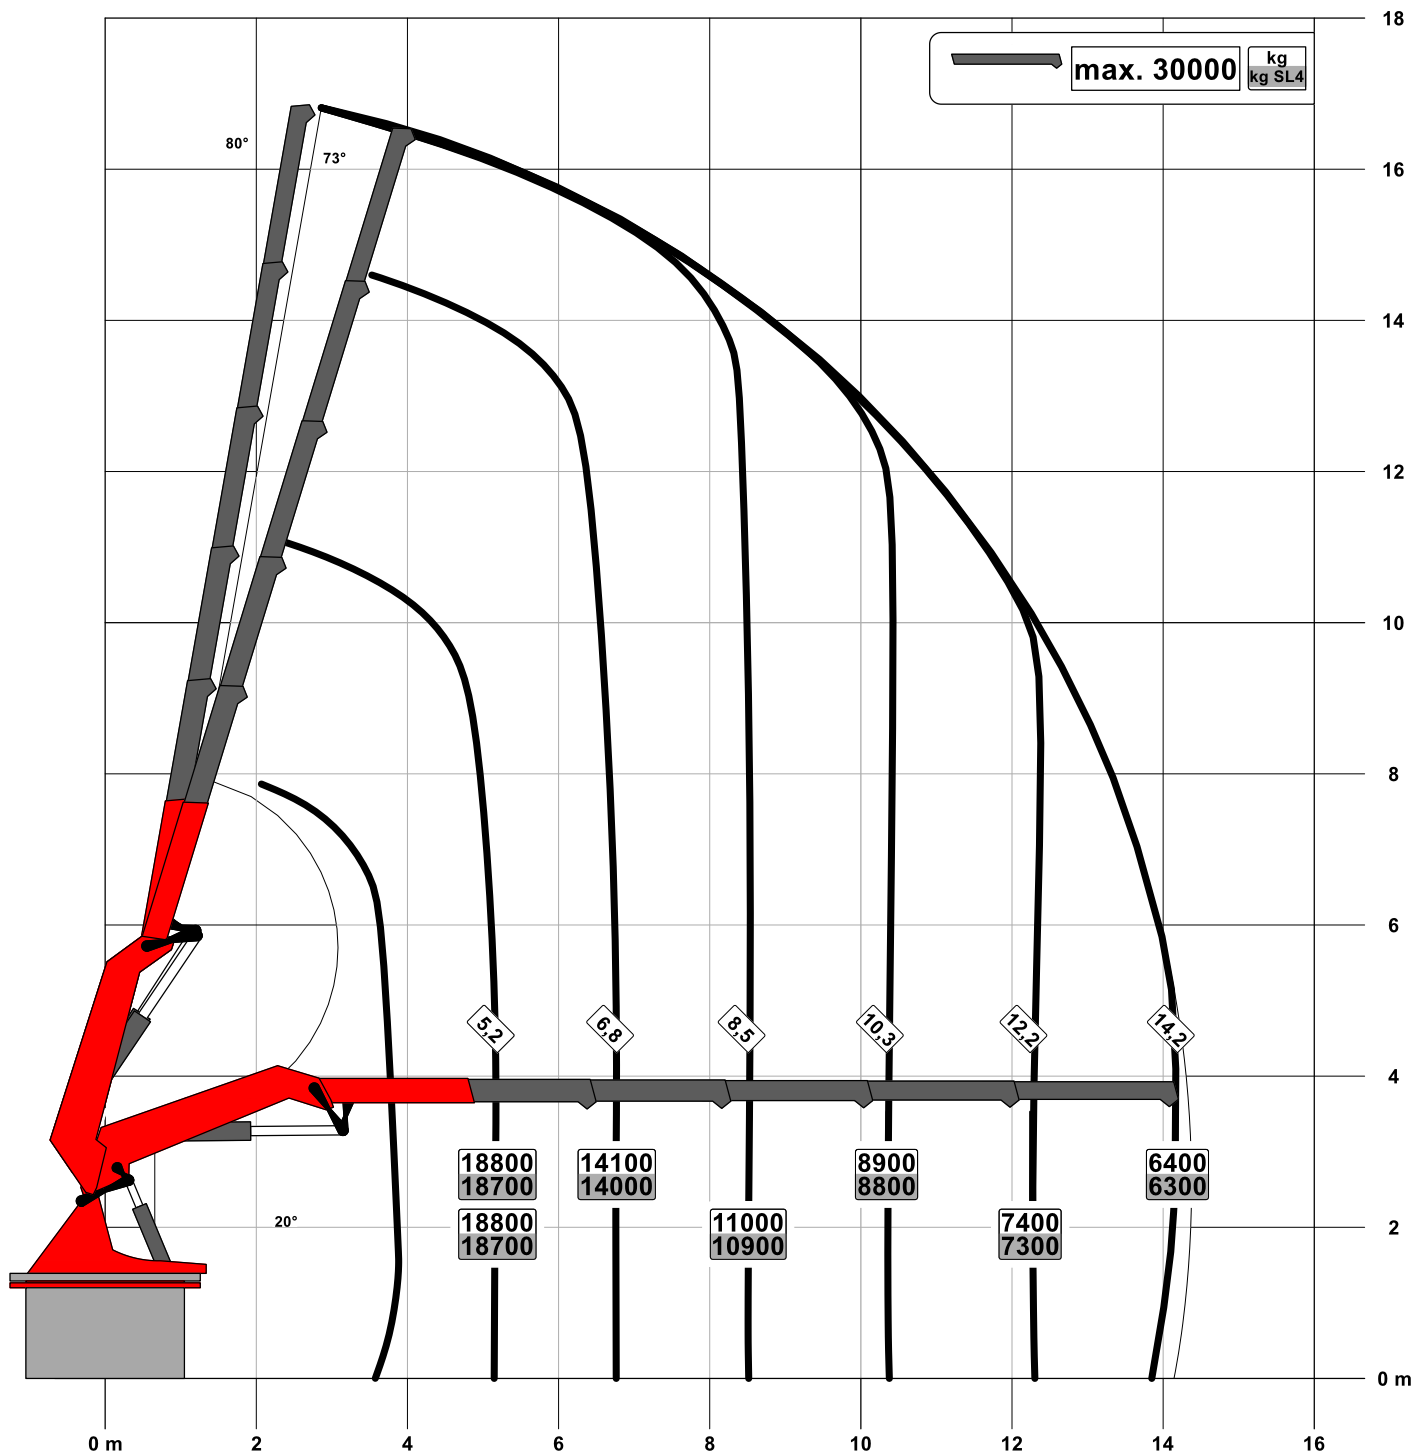

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

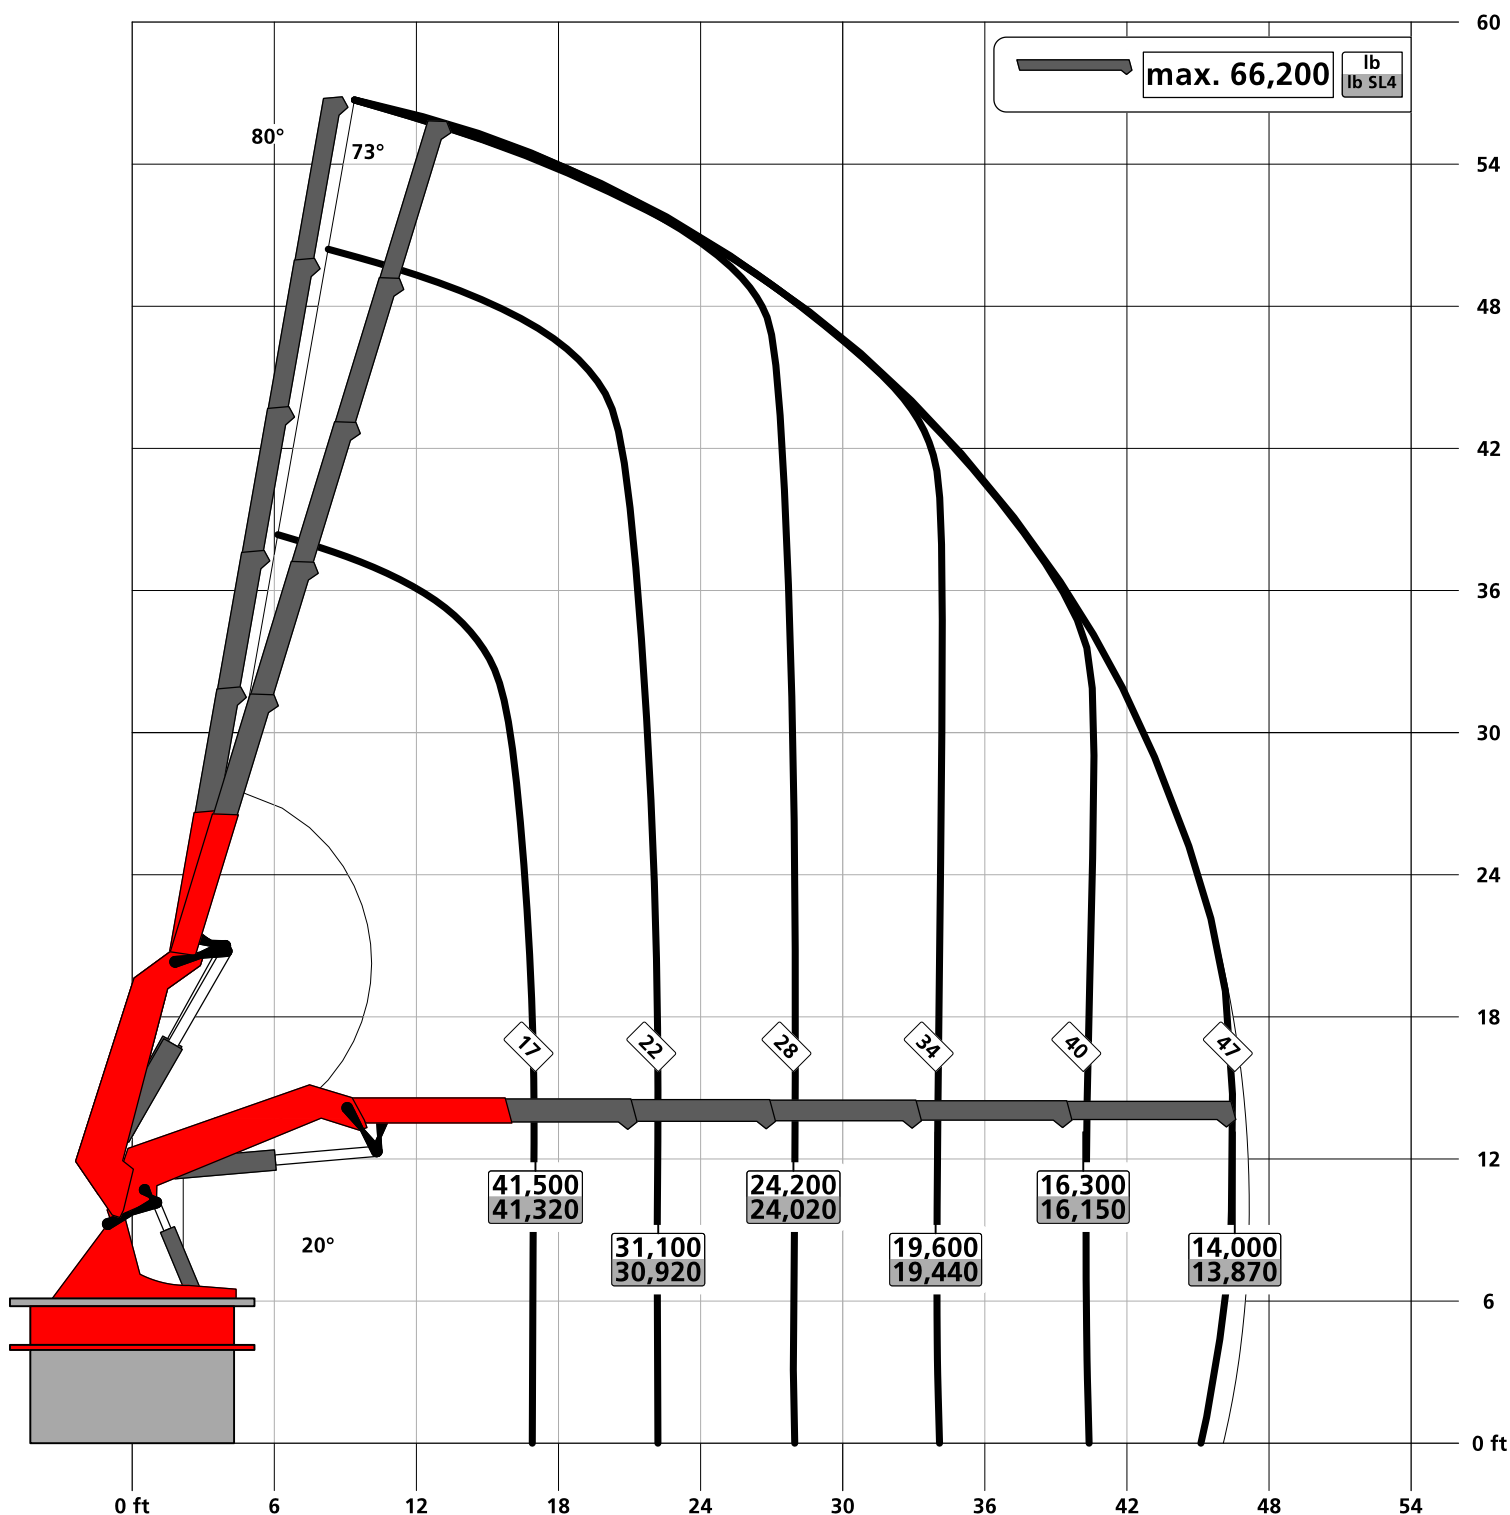

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

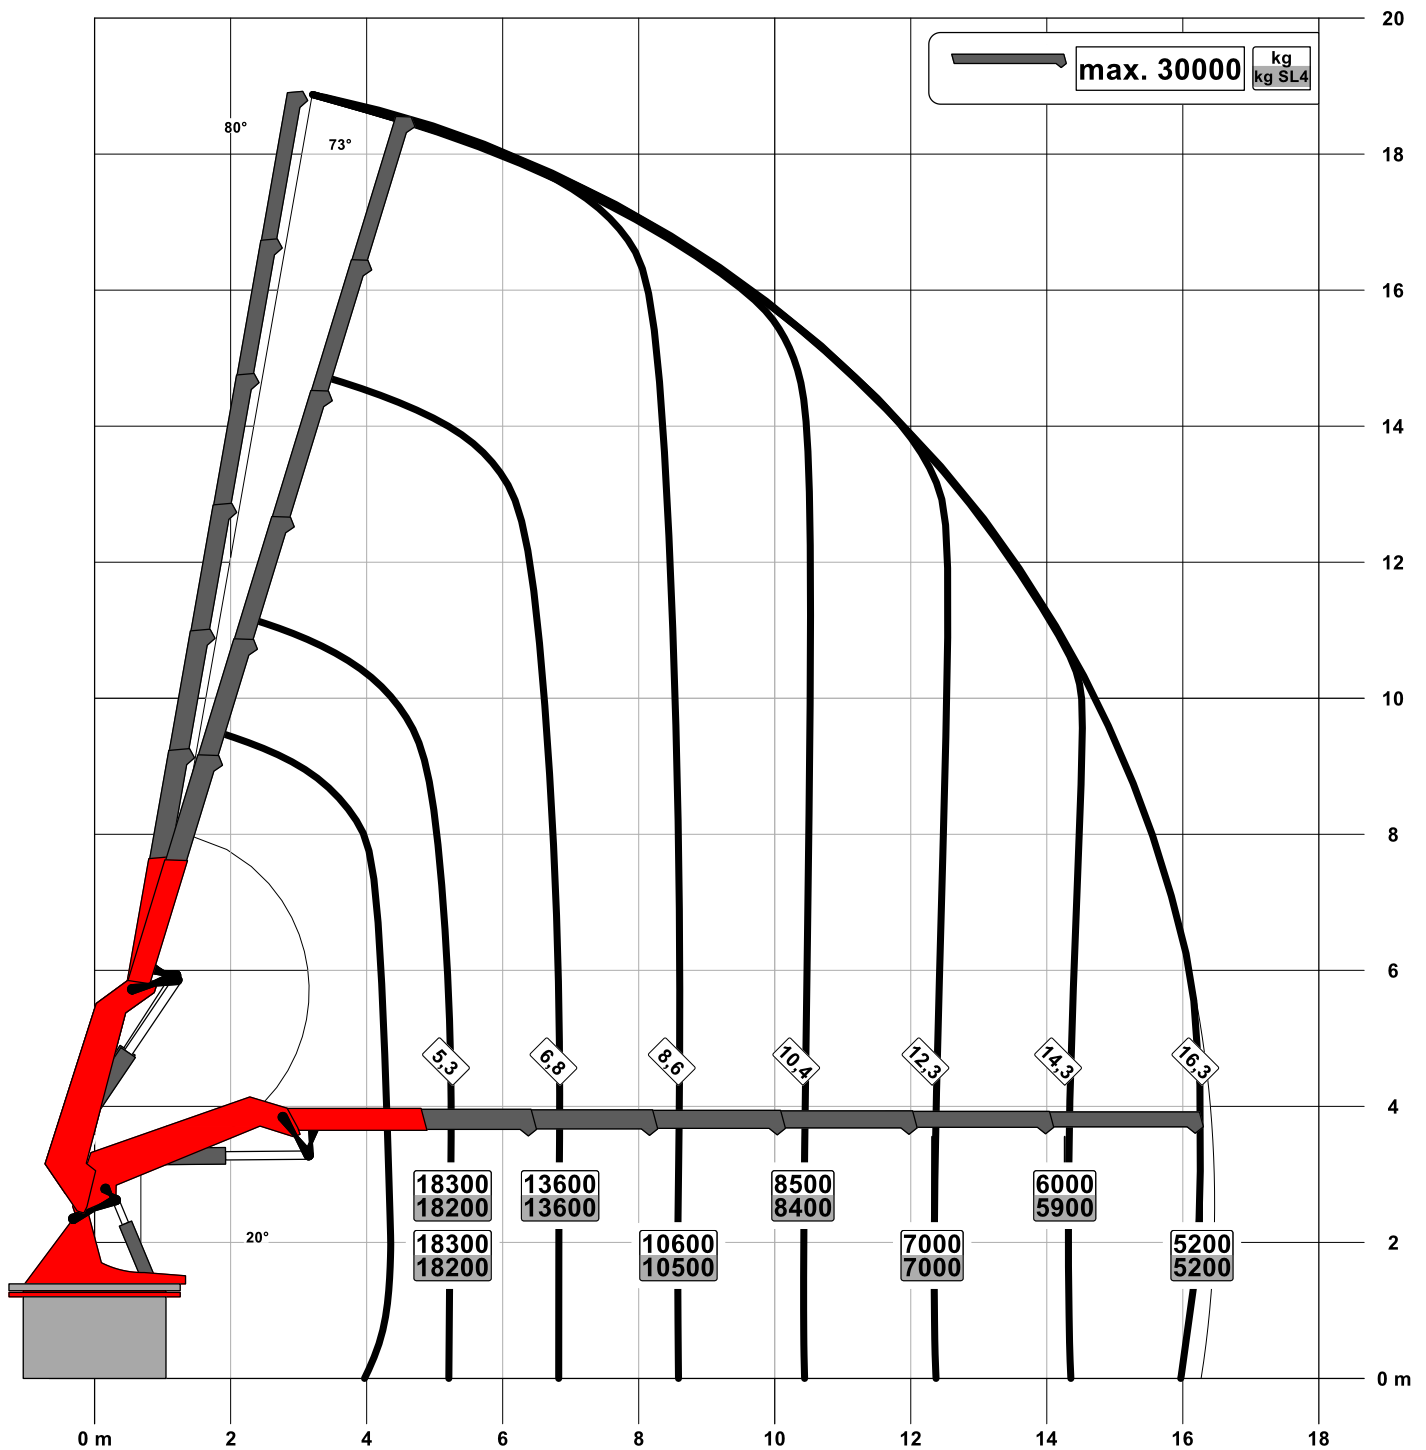

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

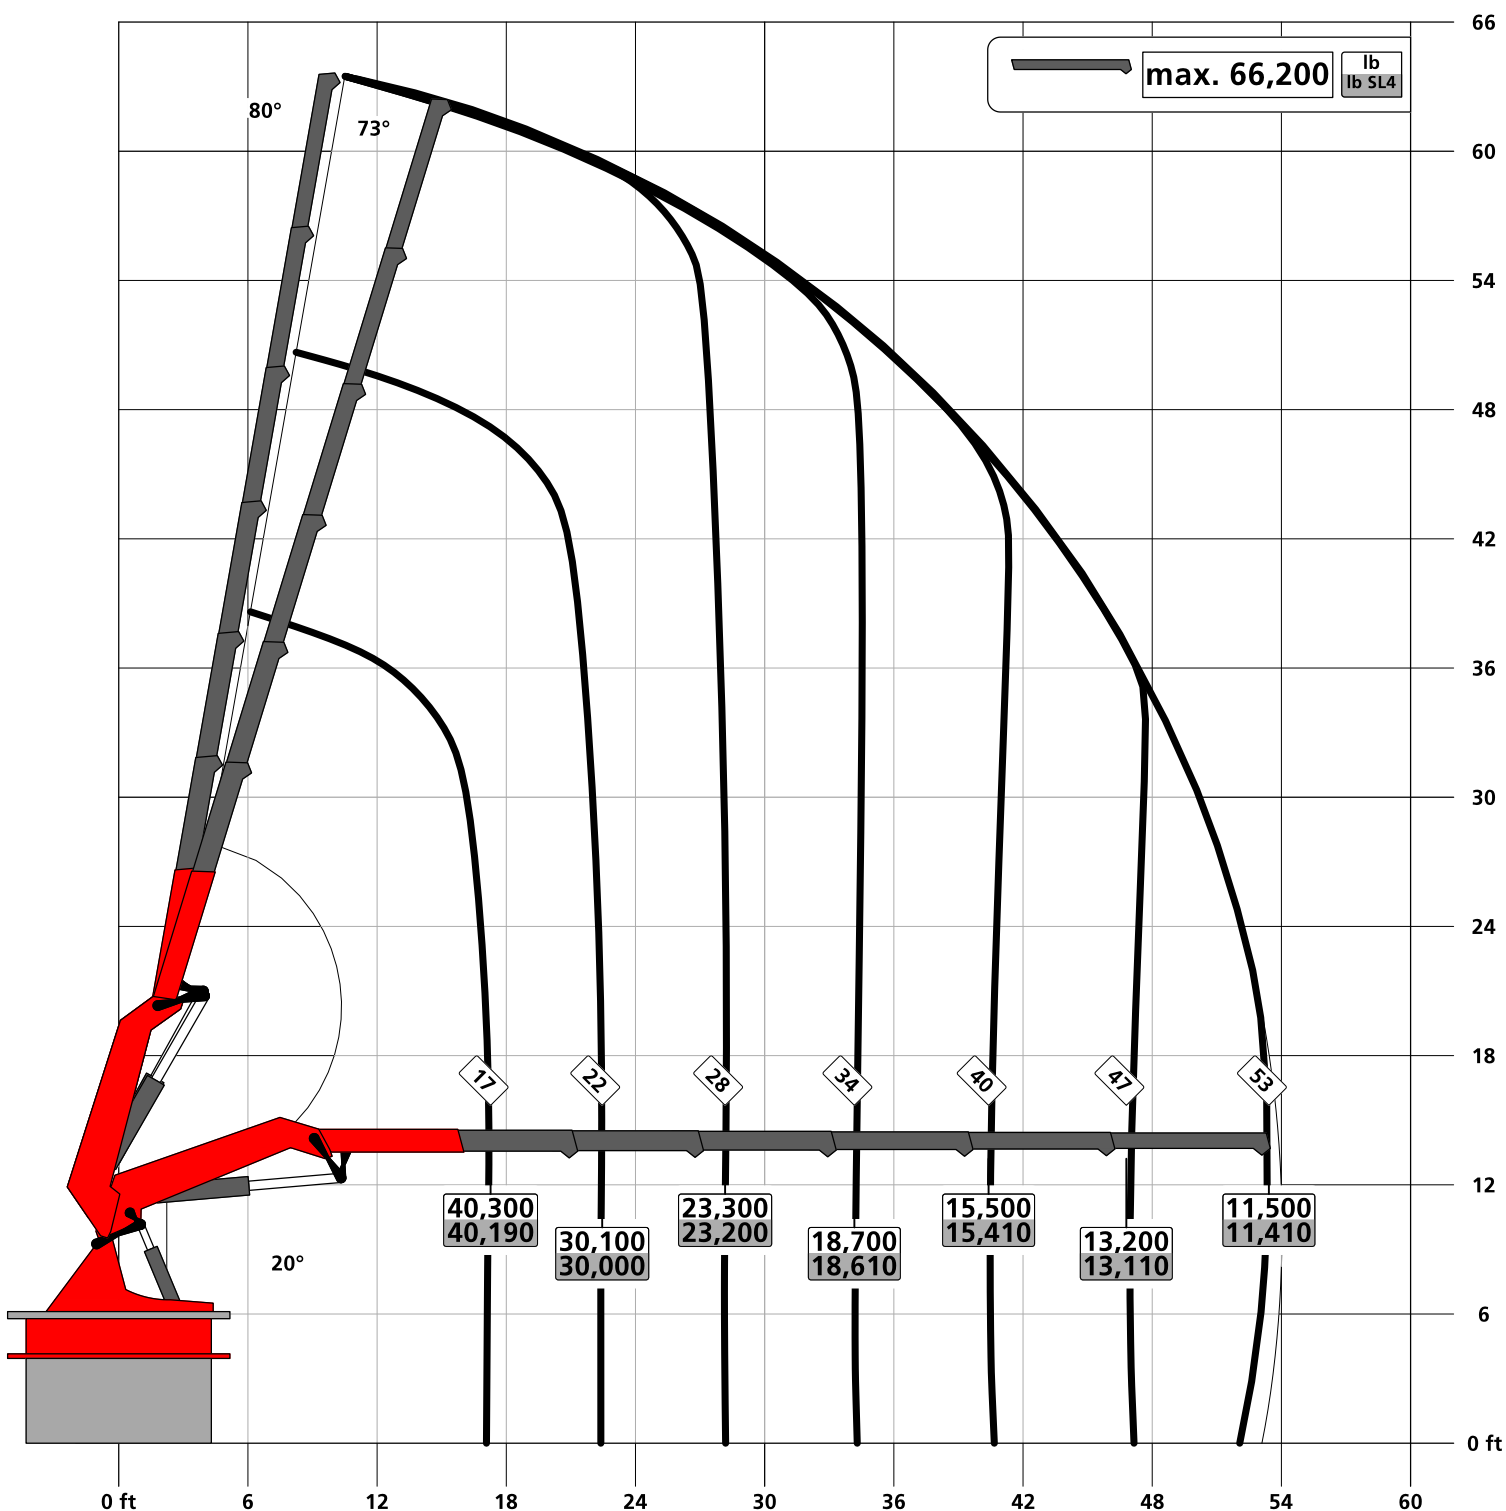

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

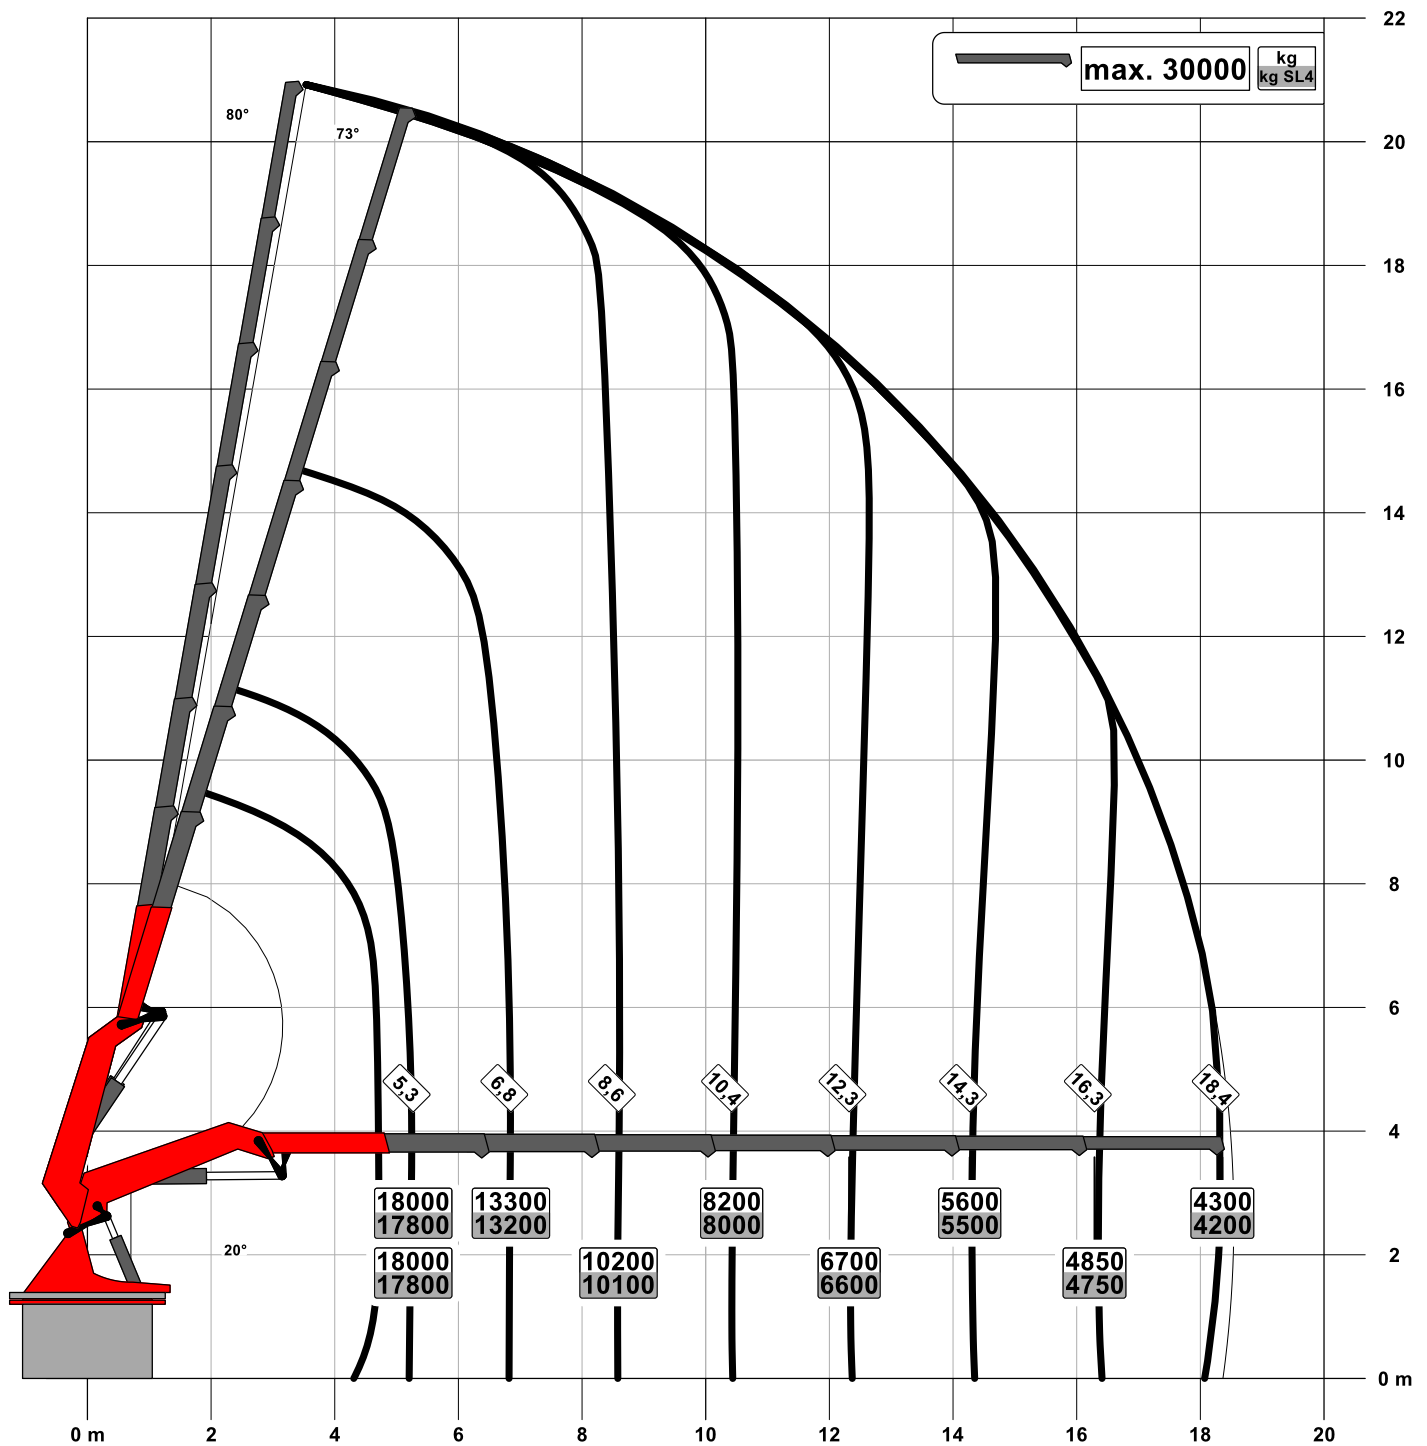

Lifting capacity diagram E

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

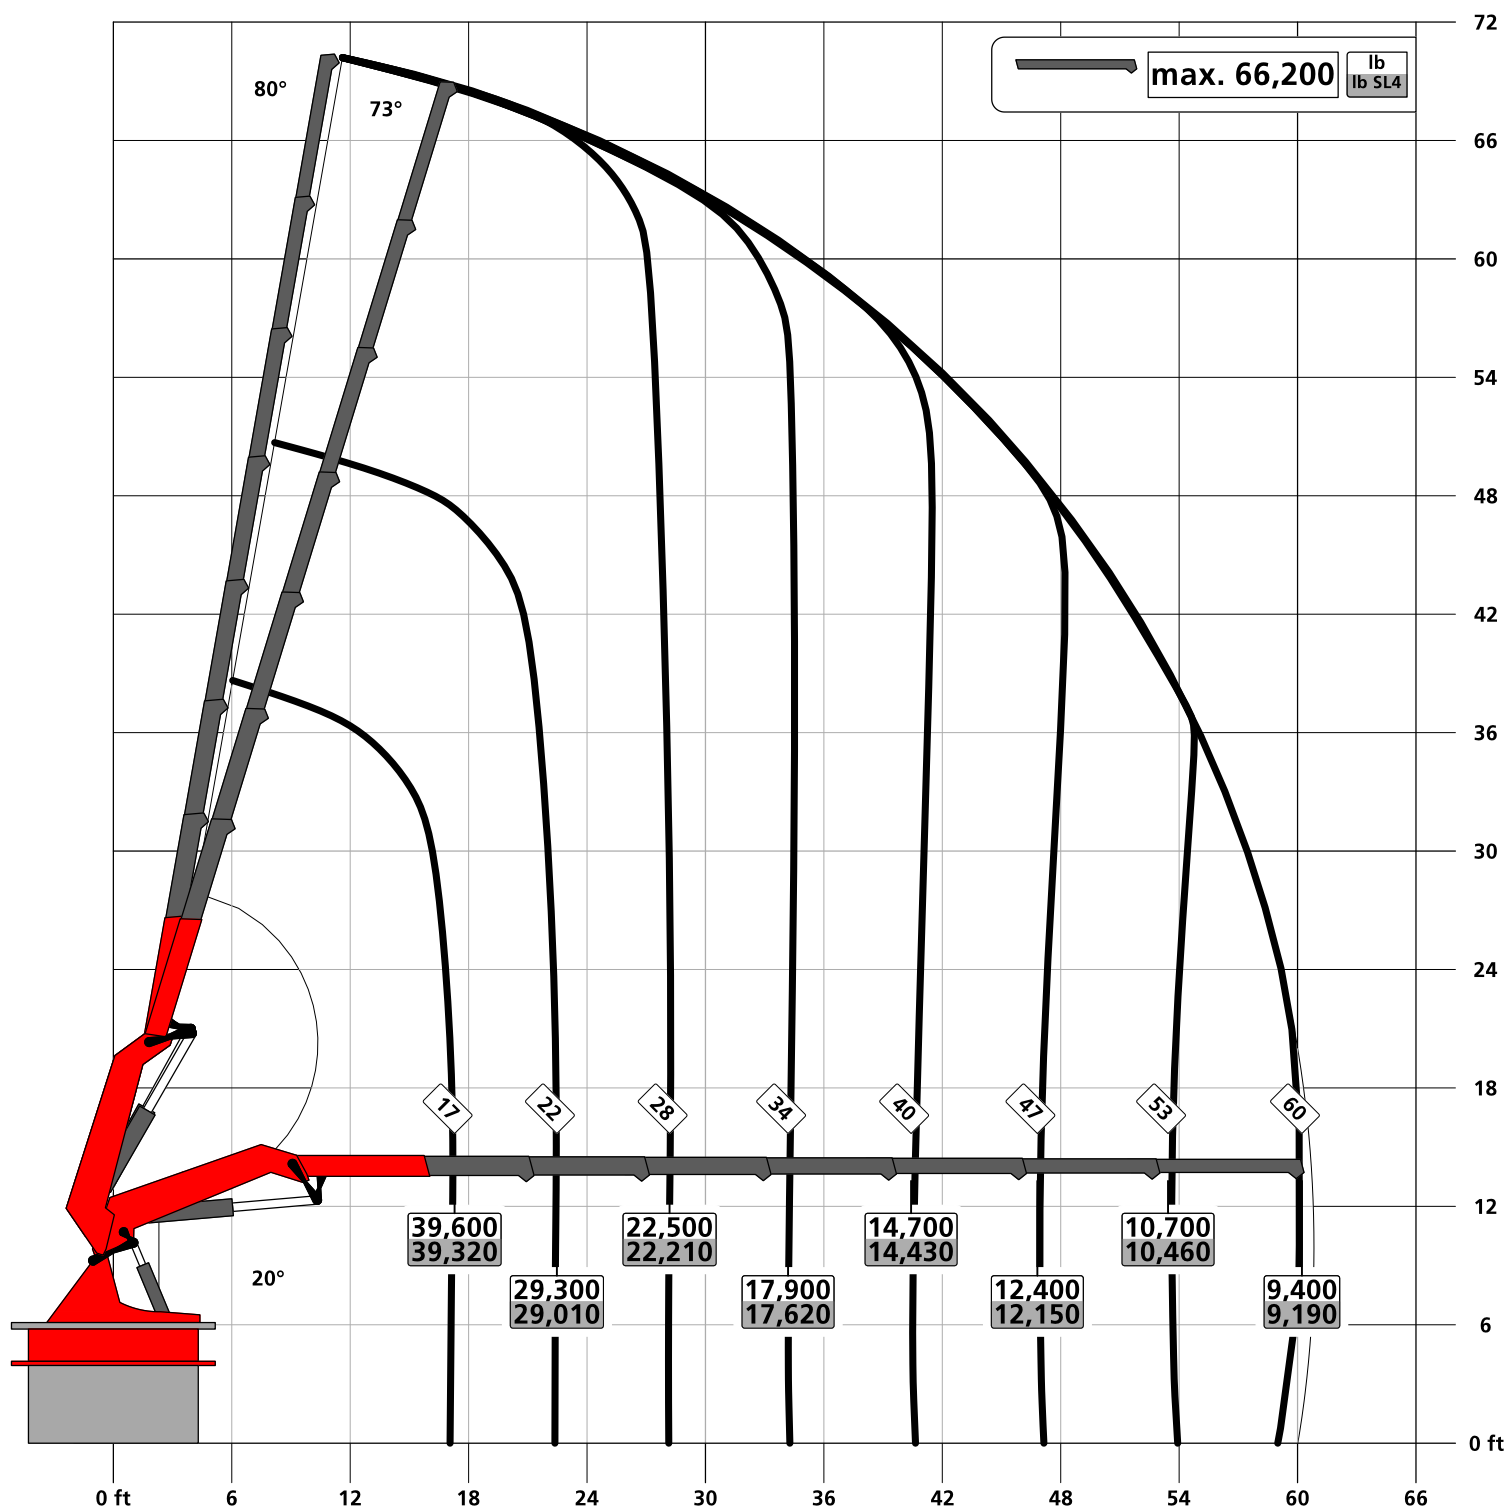

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

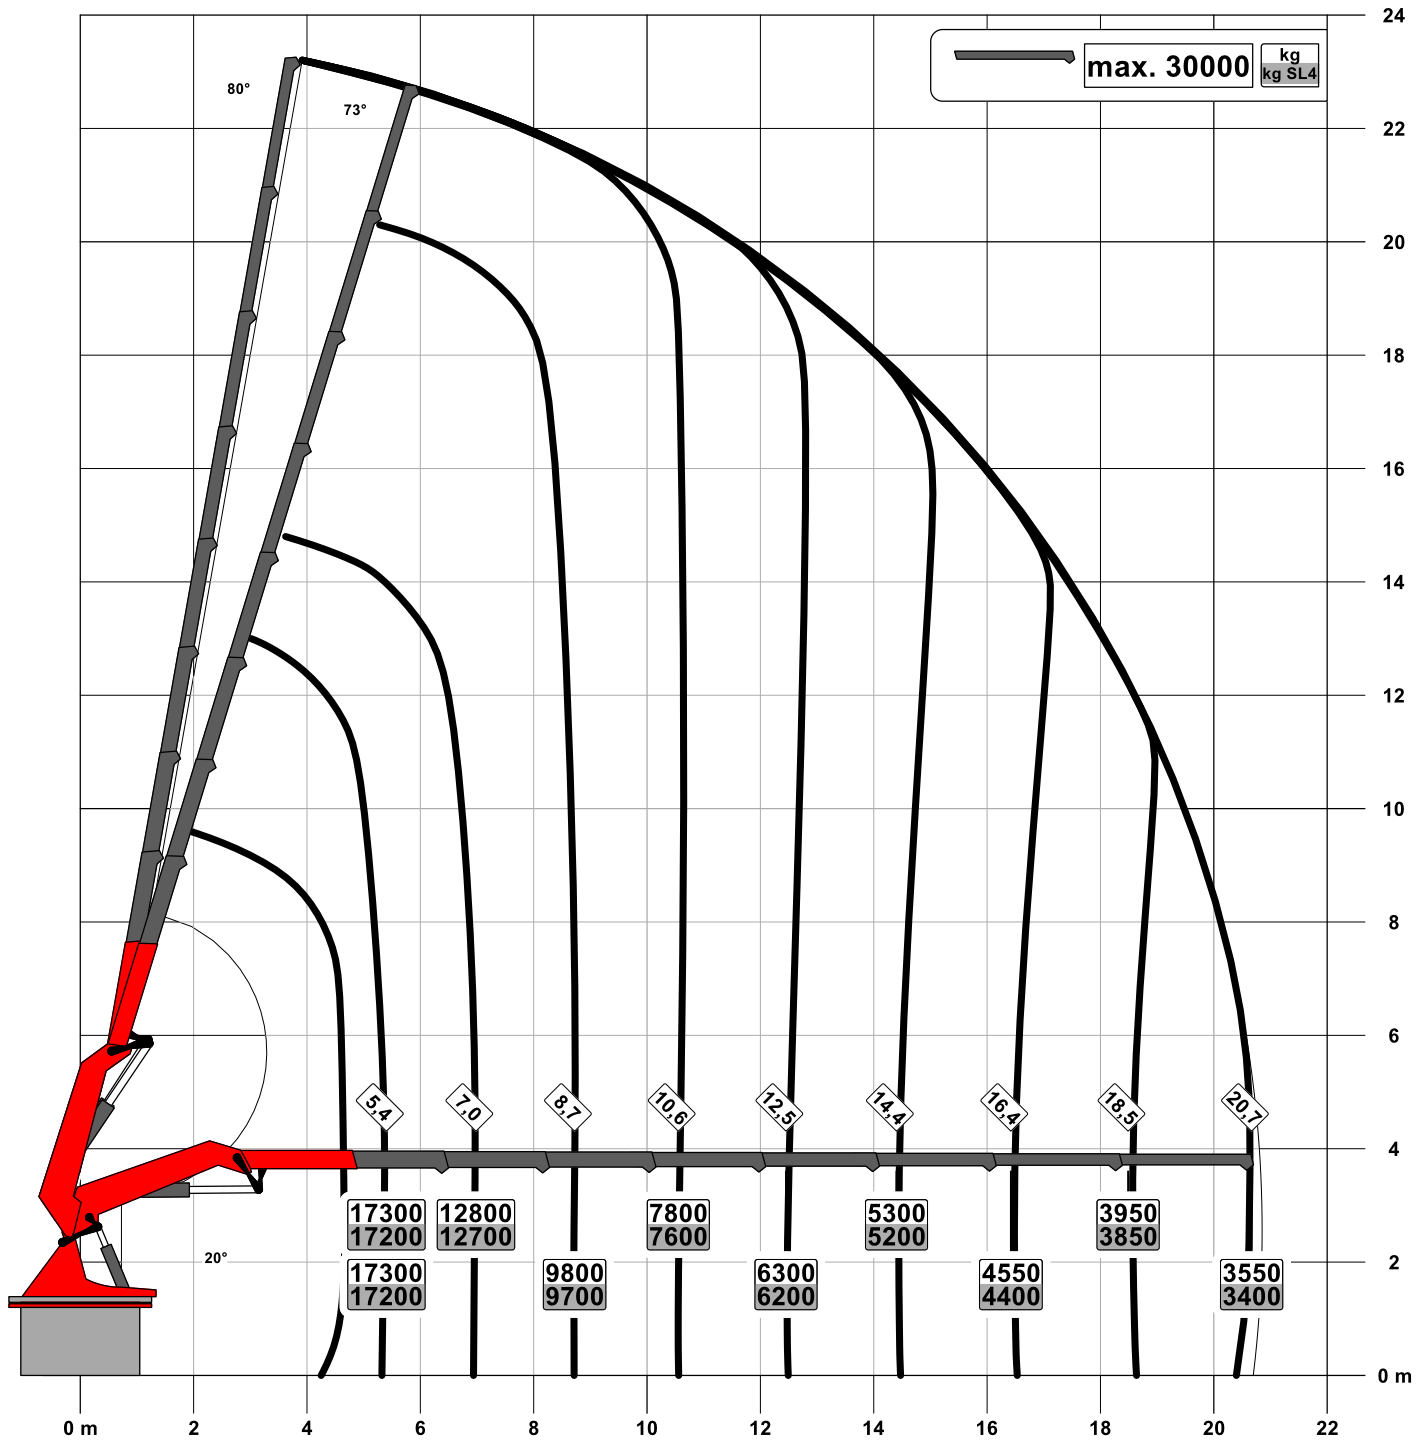

Lifting capacity diagram F

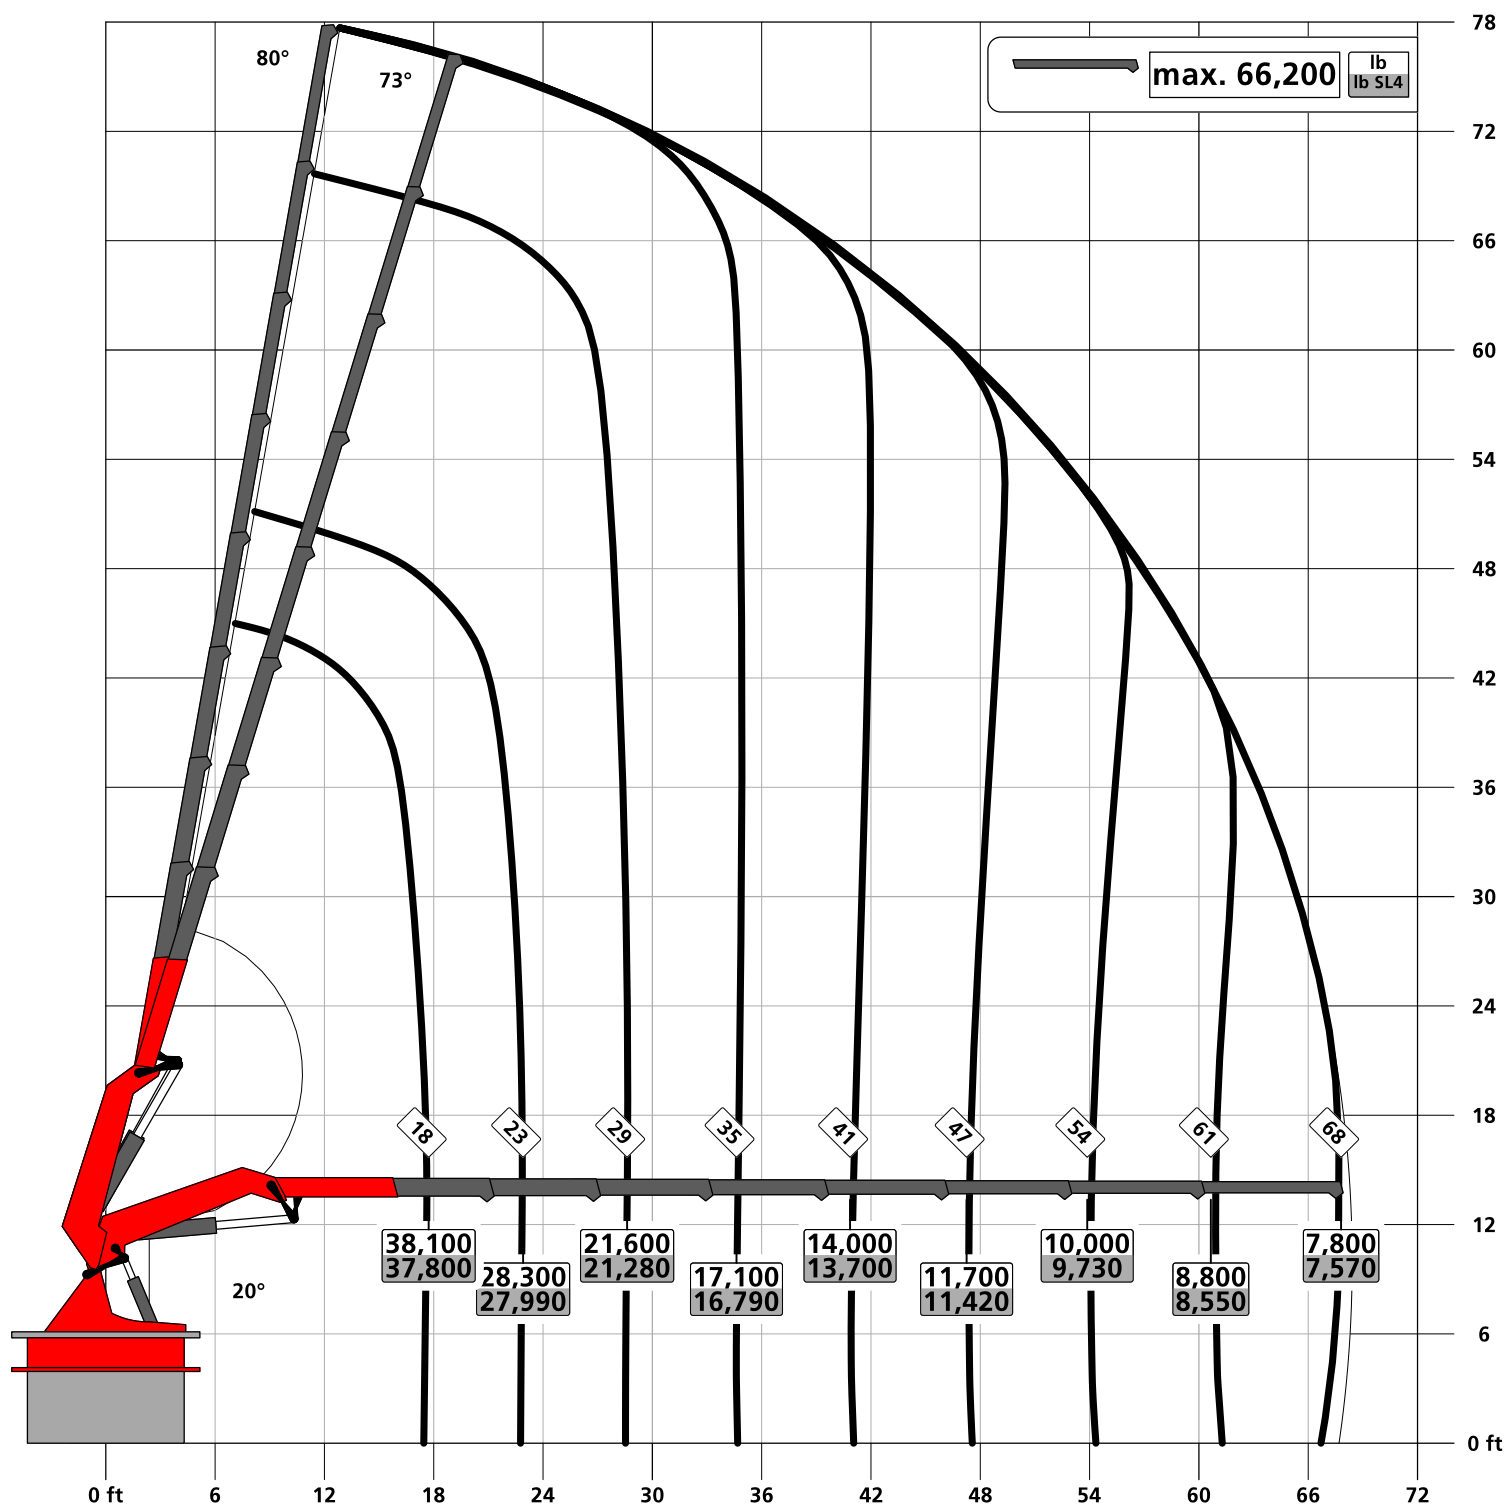

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

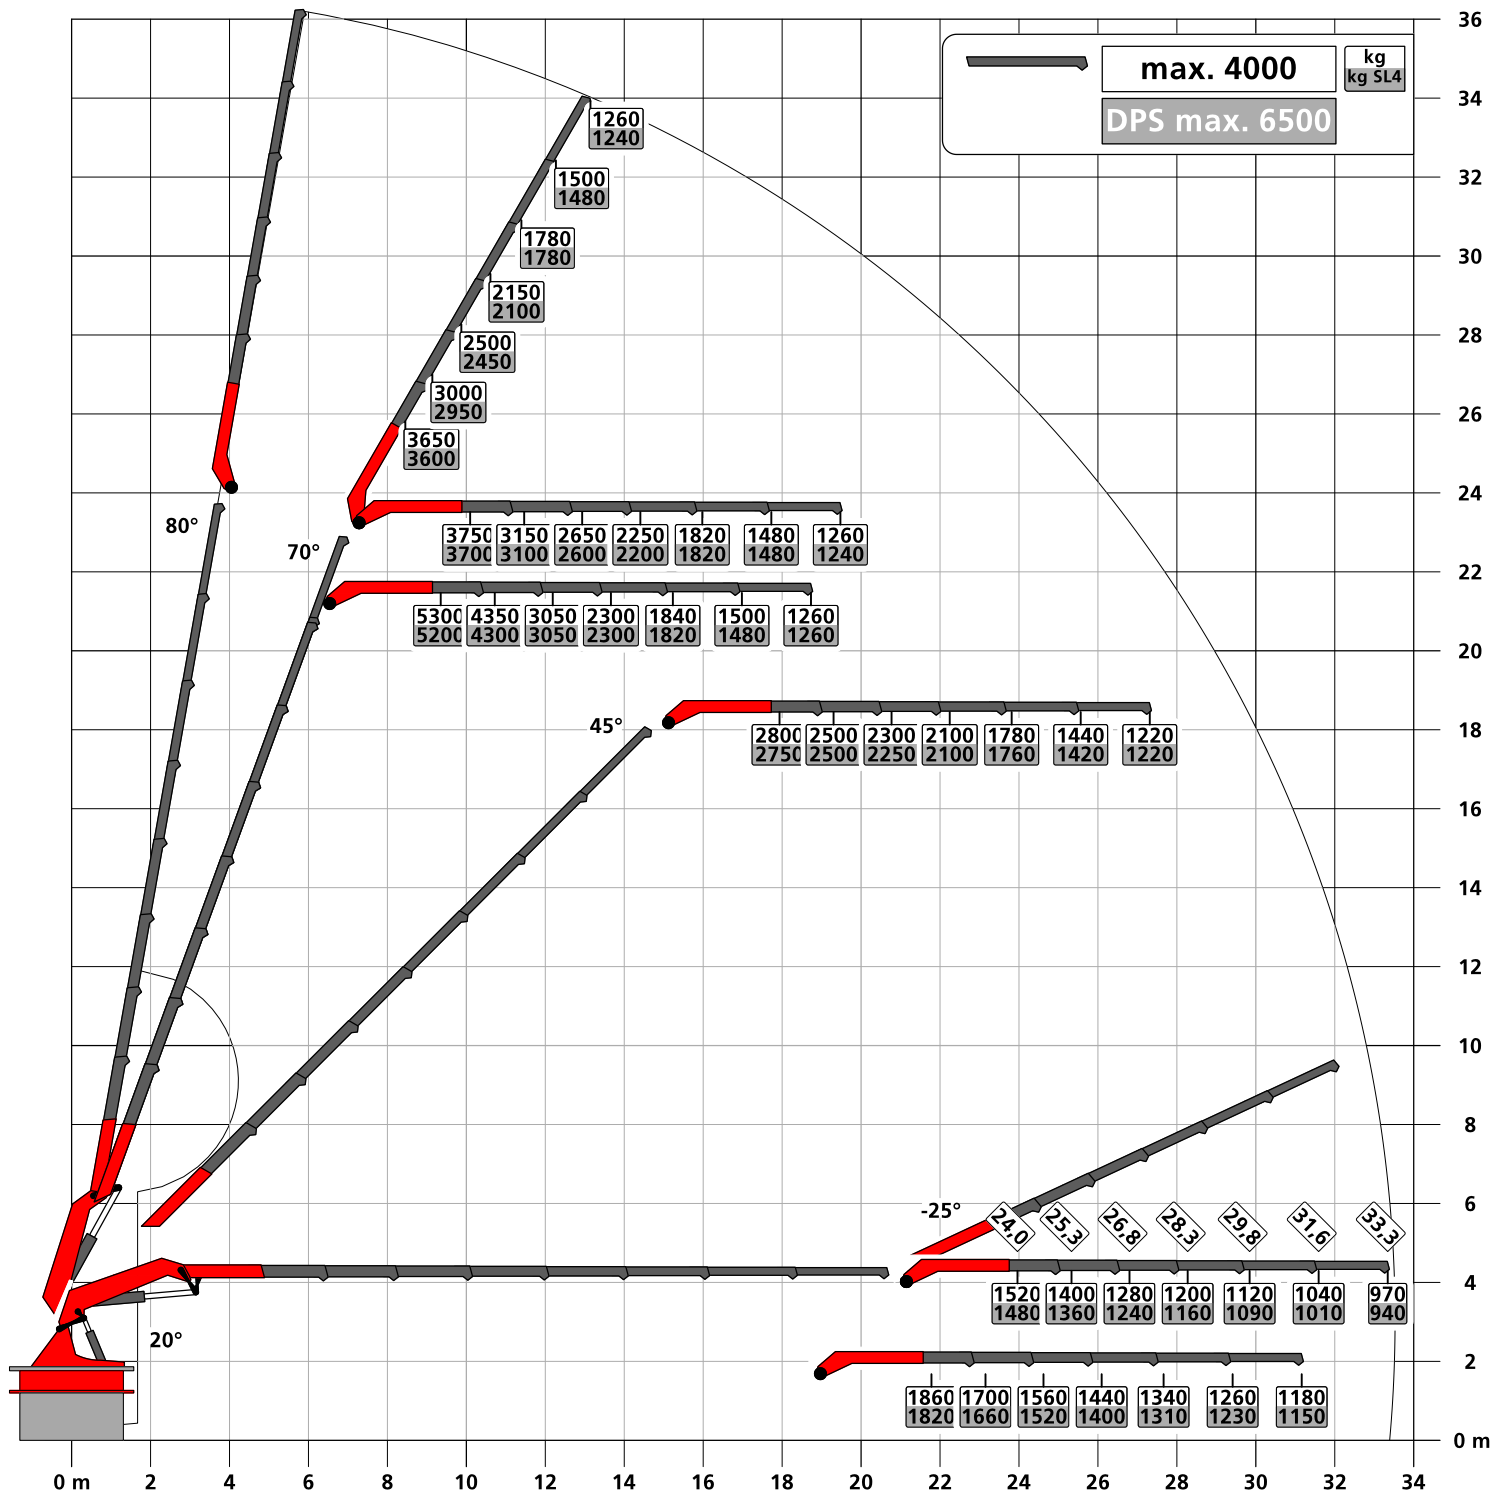

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

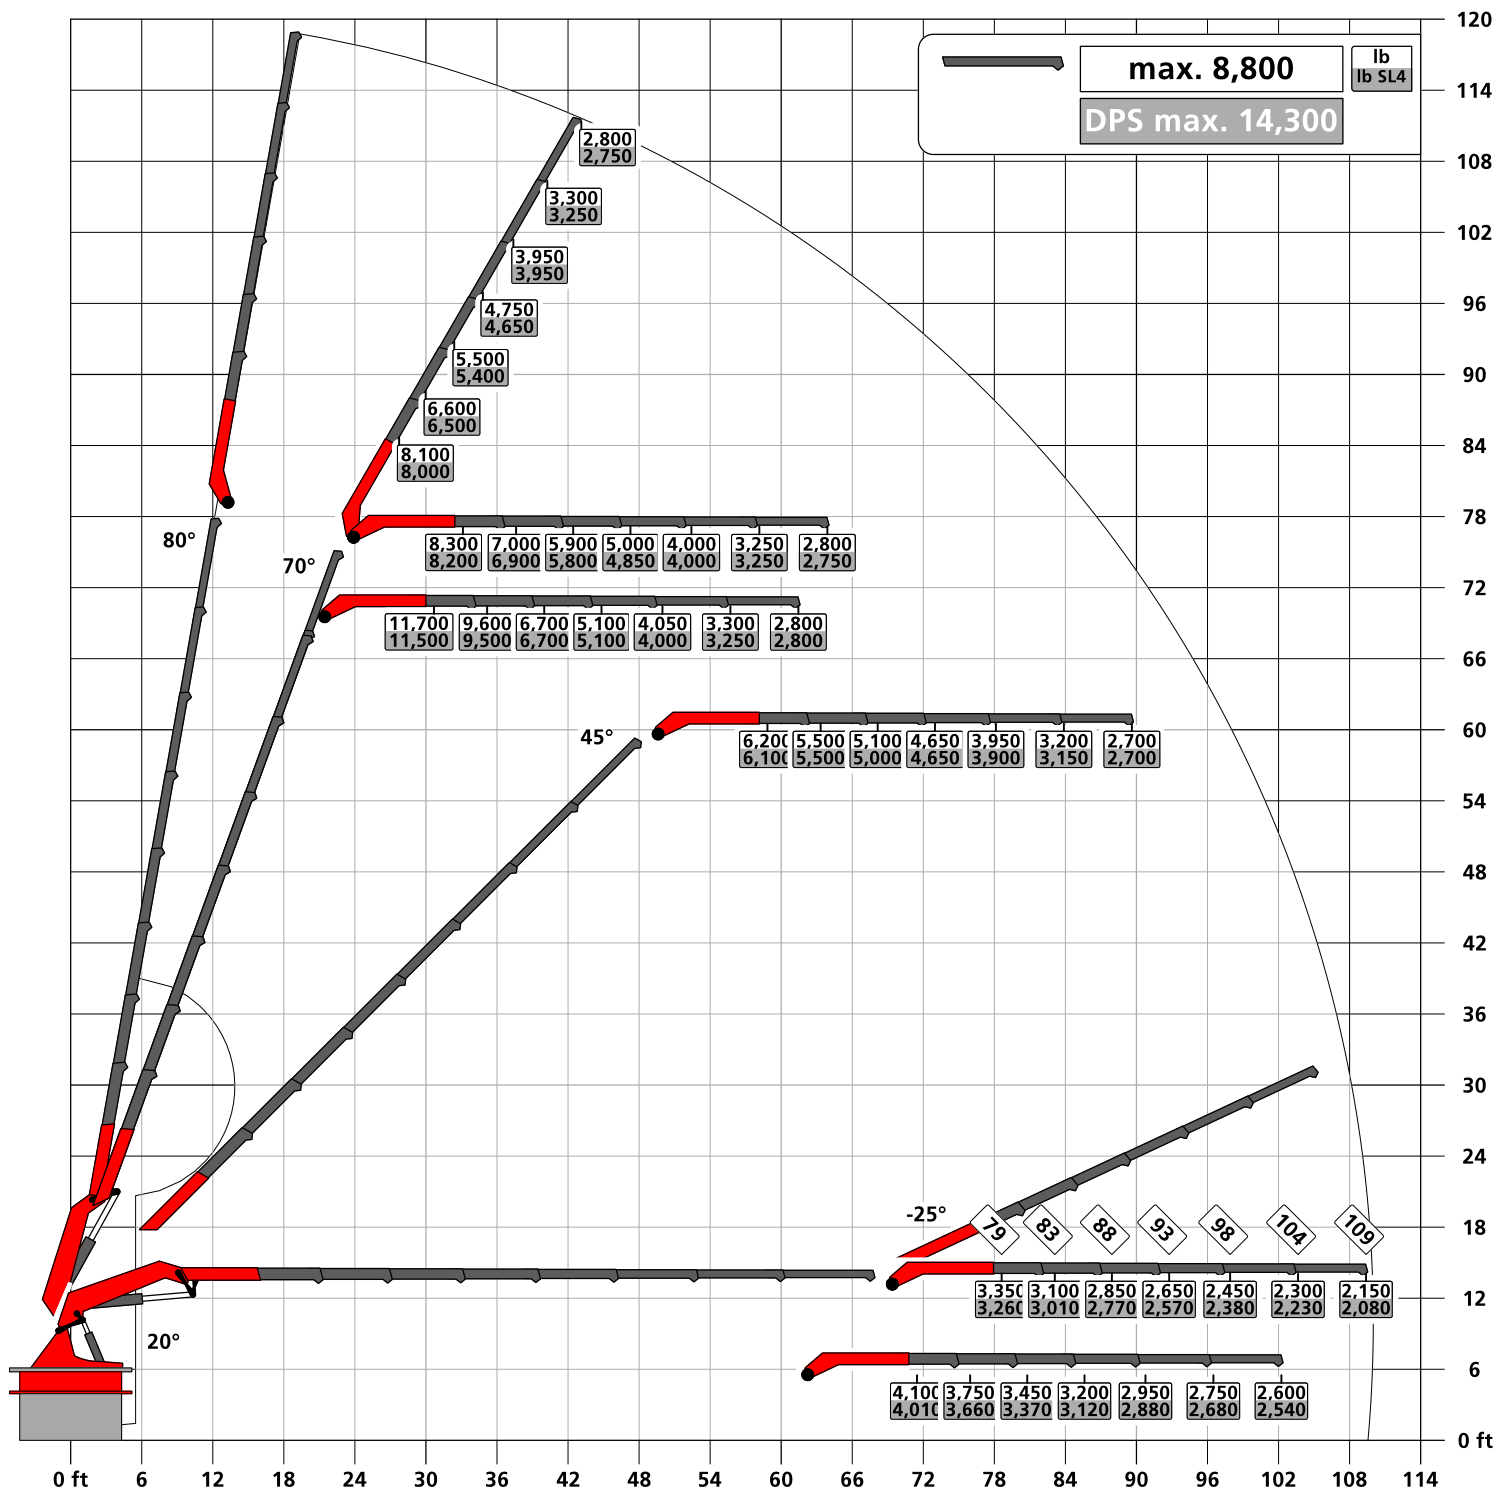

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

# DPS-C

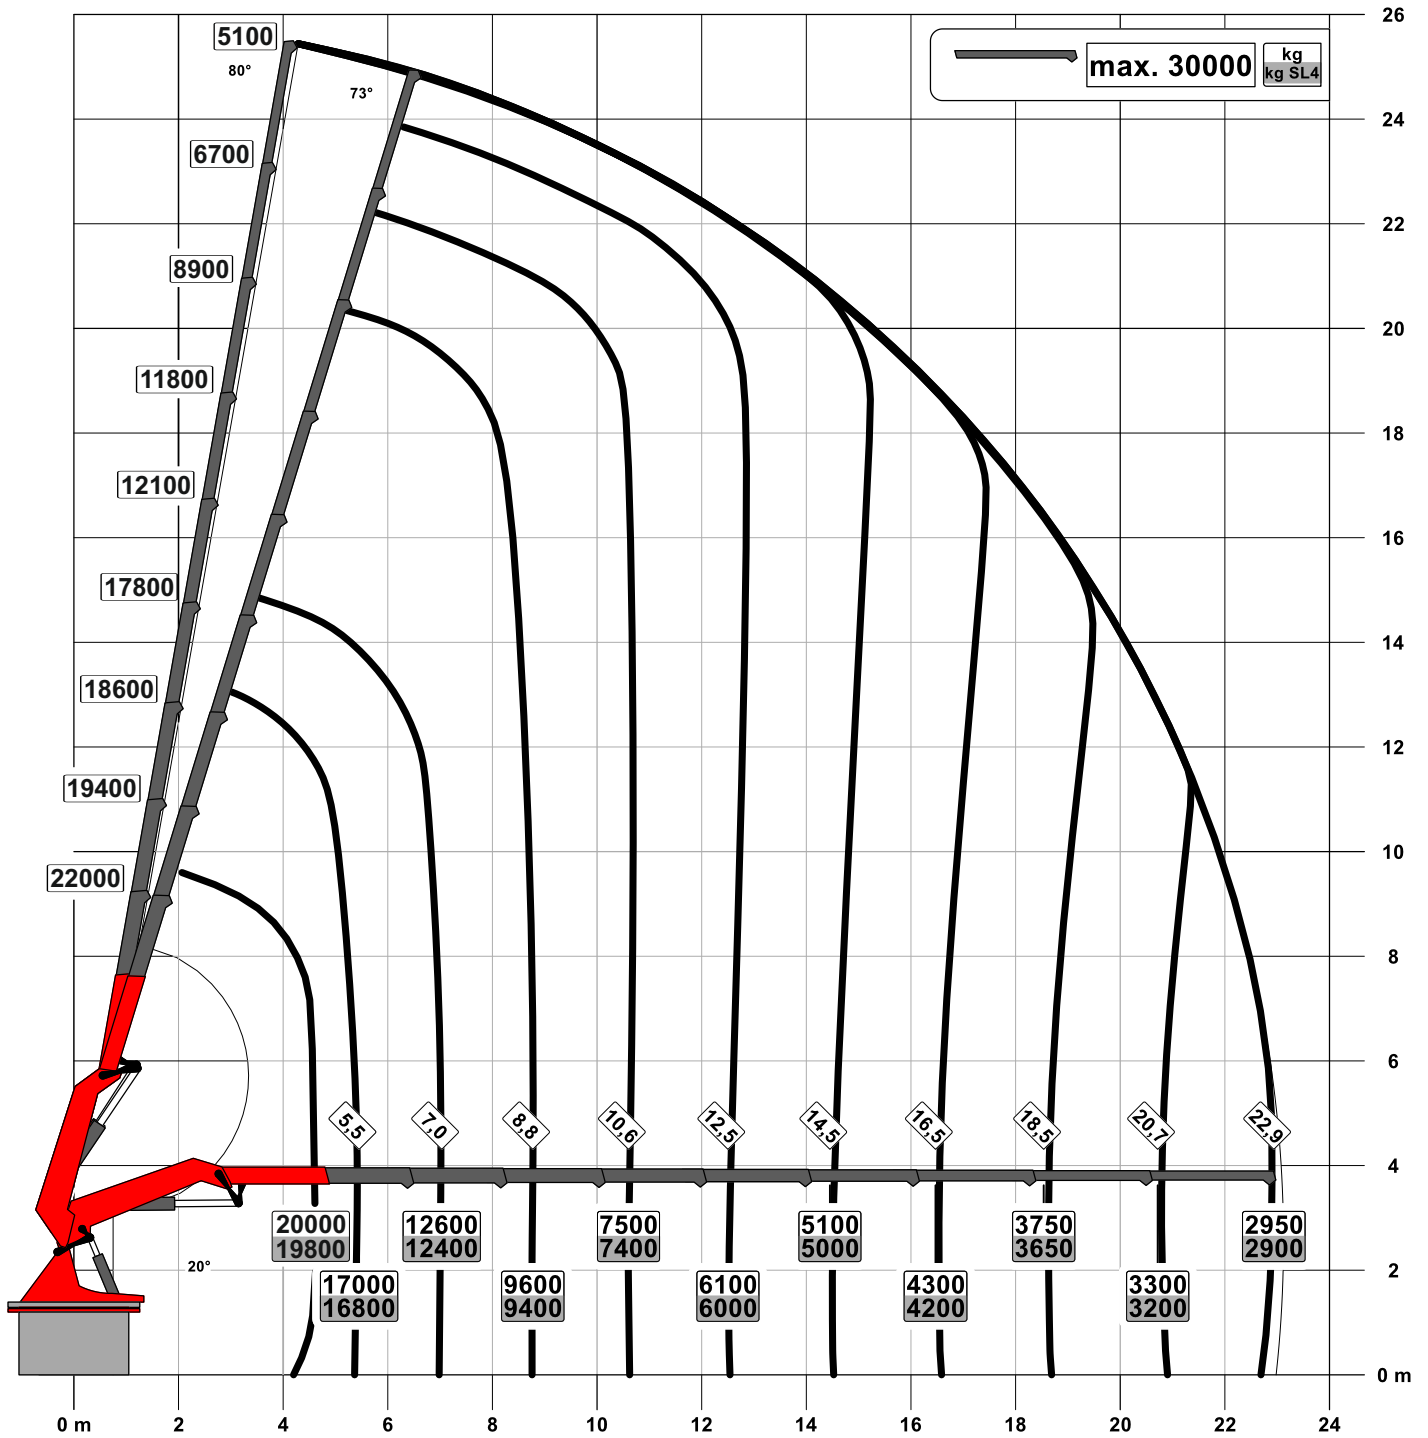

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

# DPS-C

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position

Lifting capacity diagram H

Symbolic crane figure, indications at 20° main boom position & load arm in horizontal position
